Eyes AND Ears

VOL. 11, NO. 7 "PREPARED BY AND FOR THE WALT DISNEY WORLD CAST" FEBRUARY 13, 1981

A NOTE FROM ROBIN

Hi Everybody,

Now that we have 1981 well underway, it's nice to reflect upon what we have accomplished and to look forward to what we will be accomplishing this spring.

In the beginning of January, I spent some time in Guest Relations in an orientation program. The time we spent together proved to be very beneficial for me as Ambassador, but the best part was getting to know them. Guest Relations overflows with warm, bubbly people who get the job done but have a good time doing it.

The last part of January was spent in Canada. Mickey, Goofy, and I pulled out our long underwear for the occasion. And it's a good thing we did! It was cold in Canada! We were there for a promotion with the Bay Department stores "Wonderful World of Values." Besides the department store promotion, we were able to visit several hospitals in Montreal and Toronto. The people of Canada love Walt Disney World and many times reflect upon the warm, friendly people they encounter when they come to visit us.

In February, our schedule has included welcomes and introductions to Walt Disney World for many convention groups. I'm sure many of you share my thrill in showing Walt Disney World to people who have come for the very first time. We are also in the planning stages with Public Relations for school presentations on grooming and the part it plays in our Walt Disney World show.

Cast Activities is bringing a special presentation of our newest studio release "The Devil and Max Devlin" in March as well as the annual St. Patrick's Day Road Race, and I hope to see all of you at both events. It's going to be a wonderful spring as we look toward warmer weather and refreshed spirits!

Lots of Love,

Robin

*While in Canada, **Robin** spent some time at various Bay Department stores helping with their promotion "Wonderful World of Values."*

*A special surprise came for **Robin** in early February . . . she was presented a Polaroid One-Step from **Lee Bean** of Polaroid Corporation.*

OAS PLANS VERY SPECIAL FESTIVAL AND SYMPOSIUM FOR HANDICAPPED OF THE AMERICAS

In celebration of the International Year of Disabled Persons, 1981, the Organization of American States, the State of Florida, the President's Committee on Employment of the Handicapped, and Walt Disney World will join in presenting a **Very Special Festival and Symposium at Walt Disney World** for handicapped children from all parts of the Americas.

Governor Robert Graham and Mrs. Graham will be official hosts for more than 350 children who will gather for the event which will be held on **May 17-20** at Walt Disney World.

The festival was announced at a press conference in OAS headquarters in Washington by officials of the sponsoring organizations and **Tom Sullivan**, co-host of ABC-TV's "Good Morning America." Sullivan, a longtime advocate for the handicapped, who has himself been blind since birth, will be master of ceremonies for the festival which will feature many well-known artists and entertainers from all branches of the arts.

The Very Special Festival and Symposium is an outgrowth of last year's meeting of the Inter-American Council for Education, Science and Culture which voted unanimously to promote and support projects in special education with emphasis on encouraging the creative and artistic aptitudes of handicapped and mentally disabled children.

According to **Dr. Ruth Mondschein,** Executive Producer of the symposium, this is the first time in OAS history that all member countries will coordinate their resources and share their knowledge in a very special kind of symposium which celebrates the creative potential of handicapped children and youth.

The 350 children who will gather at Walt Disney World from May 17-20 will not only enjoy the Magic Kingdom, but will participate in and demonstrate their skills at special workshops at Walt Disney World Village with artists such as the folk singer and actor, **Burl Ives,** ballet star **Jacques d'Amboise,** and jazz singer musical comedy star, **Pearl Bailey,** and famous painters and sculptors. The theme of the festival is "The Magic and Me," the real magic of Walt Disney World being in the children themselves. The program is directed not only toward the children of today, but also the eventual leaders of tomorrow, according to OAS Secretary General **Alejandro Orfila.**

"Handicapped children are estimated to number 40 million in Latin America and the Caribbean area, and 12 million in the United States. Training these millions for self-support and independent living plays a vital role in the economic and social development of all countries in this hemisphere," Orfila said.

OAS Assistant Secretary General **Val McComie** officiated at the press announcement. Also participating were **Jorge Zelaya Coronado,** Executive Secretary, Inter-American Council for Education, Science, and Culture; **Jack Lindquist,** Senior Vice President, Marketing, Walt Disney Productions; **Jayne Spain,** Vice Chairman of the President's Committee on Employment of the Handicapped; and **Laureen Summers,** a talented handicapped weaver.

JA COMPANIES RECEIVE AWARDS

Our Walt Disney World counseled Junior Achievement Companies have really been doing well the past few months. When the **Company of the Quarter** was named a few weeks ago, **Business Encounters,** counseled by **Debbie Zutter, Diane McNish, Steve O'Neill, George Rader,** and **Charlene Freeman,** was named number one! And amazingly enough, out of the top-four companies named, three were Walt Disney World counseled companies. We certainly have a chance at the big one — Company of the Year!

photo by Lydia Owen

Most recently at the Junior Achievement Trade Fair held at Fashion Square Mall, **The M.O.B.,** counseled by **Dick Roehn, Matt Thursam, Lydia Owen, Mary Tedesco,** and **Sandy Horas,** walked away with the **Best Marketing Display** award. The group had cleverly displayed their products which include cutting boards, T-shirts, and mirrors. Our third JA Company, T.B.C., counseled by **Rich Turner, Sheila Radar, Marie Beeler, Denny Phelps, Mary Pietarica,** walked away with the **Most Unit Sales Award.**

Congratulations to all!

MOUSELLANEOUS

COMMON COURTESY, PLEASE

Isn't it nice to sit down to a clean, litter-free table when you're ready to eat lunch? The only way we can insure that tables are clean for us, is to be sure we leave them clean when we are finished.

Please remember to "bus" your own tables when you've completed your break or lunch.

CONTINUING YOUR EDUCATION

SIGN LANGUAGE INTEREST?

If you already have had formal training in **Sign Language** as used by the deaf **or** would be interested in learning the language, please contact the Disney University at extension 4744 and have your name placed on an interest list.

WORLD OF SERIES OF ENTERTAINMENT TONIGHT

It's going to be an exciting night at our World Series of Entertainment, and the fun begins at 9 p.m. The party will continue until 1:30 a.m. with the music of **The Spinners, Tierra, Chuck Berry,** and **Chubby Checker** making it a valentine eve to remember.

As of this writing tickets are going fast, and if still available, they will be sold beginning at 7 p.m. tonight at the Transportation and Ticket Center for $10.95 each.

EXPRESS YOURSELF TO WORK ... TAKE THE BUS!

The Express Bus Service is operated by the Orange/Seminole/Osceola Transportation Authority for the convenience of our Walt Disney World cast members, and as a way to save energy.

The cost of this bus service is **$1.25 one way**, or a total of $12.50 each week if you ride round trip five working days each week. That's really a savings if you currently drive to and from work alone ... as much as $5 to $7 each week in most cars! And that doesn't include the savings you'll receive in annual maintenance and insurance!

So check the schedules listed below and plan on saving both energy and money!

NO SMOKING ABOARD BUS, PLEASE

Orange/Seminole/Osceola Transit Authority regulations state that there be **no eating, drinking, or smoking** while aboard their city buses.

These rules hold true for our two Express Buses also. Please continue to keep the atmosphere inside the buses clear by not smoking and the floors clean by not eating or drinking.

A number of cast members bring along portable radios to help pass the time. We ask that you keep the volume as low as possible so as not to disturb others riding the Express Bus. Thank you.

EMPLOYEES BLOOD BANK

These days knowing you can get blood when you need it can bring you great peace of mind.

A unique benefit many cast members may not be aware of is the **Walt Disney World Blood Bank** which entitles any employee or their immediate family members to obtain blood when needed at no charge through the Central Florida Blood Bank.

Should you or your family need blood, contact **Gloria Jacobs** at extension 4736 or **Central First Aid** at extension 4701. Give your name, the name of the patient, the hospital the patient is in and the number of pints of blood needed.

It is not necessary to have donated blood at our twice-annual blood bank drives to be entitled to take advantage of this benefit. But thanks to the thousands of cast members who do donate during the drives, blood is available when **you** need it.

PROPERTY CONTROL SALES

On the third Friday of every month, the Property Control Department hosts a sale in the Property Control Excess Yard, located in the North Service Area between the Casting Building and the Laundry. Cast members may purchase items for sale for their own use. These items are generally excess or replaced items used throughout the property, or are unclaimed Lost and Found articles. The quantity of items purchased by cast members are limited to allow more employees an opportunity to purchase these items.

The next Property Control Sale will be held on **Friday, February 20,** from **8:30 a.m. until 3:30 p.m.** Cast members and spouses will be admitted upon presentation of a valid Walt Disney World ID or Main Gate pass. Some of the items offered for sale include blankets, chairs, mattress pads, lumber, night stands, and pillows.

A special **"Sealed Bid"** sale will be held on February 27 only, from 9 a.m. until 3:30 p.m. for several used trucks. The trucks all have automatic transmissions and are 1974, 1975, and 1976 model Ford Couriers and pickups.

Just in case you missed the previous articles in **EYES & EARS**, the Walt Disney Travel Company is offering some fantastic discounts to cast members traveling or vacationing between **September 15 and December 15 of 1981** or during the **month of January 1982.**

"It Takes People"

A DISNEY-STYLE VALENTINE STORY

Thousands of couples will be celebrating Valentine's Day with candy and flowers tomorrow, February 14. But there's one couple who might decide to celebrate tonight even though it's Friday the thirteenth. That's because nine years ago today, ***Gene and Helen Hawk*** *celebrated their "togetherness" with a visit to Disneyland.*

Their romance began over the telephone. Gene was working at the Western Costume Company in Hollywood doing costumes for the Flip Wilson Show and Laugh-In after spending six years in the army as a musician and working in costuming in Chicago and Ohio. Part of his job including handling costume orders for schools and theatres across the country. Helen, on the other hand, was working in Baton Rouge, La., as Traffic Manager of WIBR Radio spending her evenings as the costumer for the Baton Rouge Little Theatre. As fate would have it, Helen called upon the Western Costume Company for her costumes on a regular basis. One day, Gene answered the phone. After two years of phone conversations they both realized they were single and began writing. After six months of letters and at the age of 40 (Helen added that life ***does*** *begin at 40!), Helen quit her job and moved to California. They saw each other for the first time in the LA airport! To celebrate their getting together Gene took Helen to an early Valentine's Day celebration at Disneyland on February 13, 1972. Helen went to work as Continuity Director for KHJ Radio and they began planning an October wedding. No such luck. Gene received a call offering him a position in the Walt Disney World costume division; they moved the wedding up to July and headed for Florida.*

Gene began his Disney career as an Entertainment Costumer, putting together all the costumes for the "live" entertainment throughout the property, including special parades like America On Parade. He is now the Coordinator of Character Production and Re-Design and is also responsible for the costumes in our three photo studios and the coordination of the World Showcase Dolls.

Helen retired for six months to get settled in their new home then joined the Disney cast as a reservationist at CRO. She later transferred to Creative Services and most recently to Cast Communications as the department secretary.

Together they enjoy several hobbies, including: needlepoint, sewing, reupholstering, and just being together. Their "pride and joy" is a special needlepoint picture of the America On Parade logo which they completed themselves.
